1938 CUPOLA 1938

DEDICATION

In grateful recognition of his patient teaching, his devotion to the scientific ideal, his tolerant humor, his courage of spirit, we dedicate this Cupola to Dr. Mullinix.

Raymond David Mullinix, Ph.D.

FOREWORD

College, a preparation for a world essentially industrial, is in itself industrial—a unit of large and varied production. In Cupola this year, the Junior Class presents parts of the industrial unit in an attempt to give an idea of the whole.
